Introduction

Melvin's Classic Ford Parts, Inc. Is a family owned & operated company that has been serving the Ford enthusiast for the past 18 years. Our family includes: Melvin & Vicky, Jessica & Randy (youngest son). We moved into our new, larger facility located in Conyers, Ga. in October 1999. When you are in the Atlanta area, be sure to stop by for a visit & see our new showroom.

Melvin has always had old Fords - from Model A's to Mustangs. Currently we have a 1939 Convertible, 1939 Standard Coupe, 1965 Falcon Ranchero, 3 Mustangs, 1968 Shelby GT350, 1966 Pickup, 1 Cushman Eagle & 1 Cushman Truckster! We belong to the Mustang Club of America (charter member #15), Falcon Club of America, Fairlane Club of America & AACA. Our goal is not to be the largest supplier - just the only place you will need to shop.

Our catalog features the highest quality parts available for your classic restoration. Look for products from such manufacturers as: Scott Drake Reproductions, Dennis Carpenter, Pro Products, AMK, American Designers, Ford Motorsport, Re-Pops, Auto Custom Carpet, Marti Auto Works, Custom Autosound, American Cushion & Daniel Carpenter. These manufacturers produce only the finest products. If Melvin won't use it on his cars, then we don't carry it! We price very competitively. Keep in mind, there are varying qualities in parts and you get what you pay for. We try to keep 90% of all merchandise in stock for immediate shipping; which is currently over 16,000 different part numbers! We have quite a large inventory for all "classic Fords". This is the reason for the store credit policy. We want to have what you want - when you want it!

Whether it is a hard to find part or a standard replacement part, Melvin's has what you are looking for. We have a large inventory of N.O.S. (New Old Stock) and used parts as well. Give us a call if you can not find what you need. We will be happy to help.
